

# LIFETIME GUARANTEE

All Brick, Mortar, and Stone Colour Treatment Application and Tinting carried out by Bricksuk Ltd t/a Remedial Repair or Extension Match is fully guaranteed for the life of the brick/stone or building against any natural variations, discolouring, or inferior technical characteristics caused due to the tinting/treatment process.

The treated brick/stonework will weather as 'normal' alongside any original/adjoining brickwork that it has been matched to and will remain matched throughout the natural life of the brick/stonework.

No mis-match between any treated and untreated brick/stonework will ever become apparent due to any change in the treated brick/stonework, it will weather as normal alongside the untreated brick/stonework.

The technical characteristic/s of your brick/stone will remain intact and the colour tinting process will still enable the brick/stone to 'breathe' as it should do.

In the unlikely event that any colour change beyond the affects of natural weathering should occur Bricksuk Ltd will correct the aesthetics of the brickwork to the customers satisfaction.

This guarantee is for the life of the brick/stonework as long as it remains intact in situ in the brick/stonework facade where it was colour treated and no other applications or treatments such as whether sealants are applied to or fixed to the brick/stonework without prior approval by Bricksuk Ltd.
